# Act Report

Introduction

WeRateDogs is a Twitter account that rates people's dogs with a humorous comment about the dog. These ratings almost always have a denominator of 10. The numerators, though? Almost always greater than 10. 11/10, 12/10, 13/10, etc. Why? Because "they're good dogs Brent." WeRateDogs has over 4 million followers and has received international media coverage.

We gathered, assessed, cleaned, analyzed, and visualized the data from WeRateDogs Twitter archive, We will show you our insights in the next section.
